

UT32 Rugged Tablet

8.0" Android
Rugged Tablet

UT32 TECHNICAL FEATURES

8.0" Android Rugged Tablet

UT32 is a smart Android tablet, it is thin but resistant, the best choice when visibility is the main key, but the size needs to be limited. This device is midway, neither small nor large, and this feature is among the most appreciated by users of rugged tablets. It is built to be durable, reliable and to excel in numerous fields of application.

With UT32 you will not be disappointed!
